Honourable Monte Solberg, PC, MP  
Minister of Citizenship & Immigration  
House of Commons  
Ottawa, ON K1A 0A6

Dear Minister:

I am writing with regard to a recent application for permanent residence status for Mr. Abdelkader Belaouni on humanitarian and compassionate grounds. Mr. Belaouni is a blind person of Algerian origin who took refuge in St. Gabriel's Church in Point St. Charles some months ago. His application to stay in Canada appears to have widespread legal, moral and financial support from the community at large. Please ensure that his application receives every possible consideration.

Thank you for your attention to this matter.

Yours sincerely,

Norman Doyle, MP
